Sur-14 de Mayo en Lebrija (Guadalquivir - Doñana)
Este-28 de Mayo en Paradas (La Campiña)
Este-04 de Junio en La Roda de Andalucía (Sub-Bética)

III Olimpiada Interescolar de Ajedrez

“PROVINCIA DE SEVILLA”

Sábado 9 y Domingo 10 de Enero de 2016

Comenzó el 41 Abierto Ciudad de Sevilla. Se inscribieron 227 jugadores pero cuatro no se presentaron, entre ellos el MI Carlos Barrero y el MF Dmitry Gordievsky.

En la 1ª ronda de los Torneos Abiertos la primera mitad del ranking se enfrenta a la segunda por lo que la noticia salta cuándo el jugador con más Elo no gana. No hubo sorpresas. Solo en la mesa 28 empató Alejandro Medina con Mario Balbuena. En todo caso algunos maestros tuvieron dificultades para vencer como En la ronda 2 las diferencias de nivel entre los rivales serán menores y pueden darse más resultados inesperados.

El programa de actividades del torneo incluye la **III Olimpiada Interescolar** los días 9 y 10, las visitas al **Ayuntamiento y al Real Alcazar** el día 12 y al **Palacio de San Telmo y a la Casa de la Provincia** el 13. Los participantes pueden apuntarse en la sala de juego.

Recordamos la existencia del **Premio de Belleza Emilio Conejo in Memoriam** que impulsan jugadores del Old Masters y Tenis Betis. Está dotado con 200 euros. Pretende premiar a una partida que reúna los requisitos que debe tener un Premio de Belleza. No solo brillantez sino también dificultad, intensidad y ausencia de errores que faciliten la victoria. En caso contrario quedaría desierto. El jugador debe presentar su partida, preferiblemente comentada, al día siguiente de haberse disputado (salvo en la última ronda). Se recomienda el formato Chessbase.

MF Ricardo Montecatine

La sala Albaicín de FIBES permite que más de 200 jugadores puedan jugar con comodidad.
